# ARABIAN SOUK SWITZERLAND THE COMMITTEE

The Committee of the Arabian Souk consists of branch-specific professionals from different fields of expertise. The explicit intention is that the interests of all groups are represented.

## DEAR VALUED PARTNERS

We are happy that the arabian Souk is accepted by all the marketplayers and is established as the largest and very successful B2B platform for the Arab region on the Swiss market.

Every year, more than 250 representatives of the best Swiss travel agencies take part at the Arabian Souk as well as the Roadshow to improve their knowledge and their expertise. It's a matter of fact that a participation at the Arabian Souk will give the travel agents better skills to sell the destinations in the Middle East and North Africa.

In recent years, many of these destinations have experienced a significant increase in visitors from the Swiss market. It is well known that Swiss travelers not only tend to spend more per day at their destinations compared to visitors from other countries, but also stay longer, allowing these destinations to benefit even further from their visits.

Additionally, we can confirm that the purchasing power of Swiss travelers has increased in comparison to other European countries.

We are convinced that the Arabian Souk is an optimal and goal orientated marketing tool for you in order to present yourself successfully and at an attractive price in the Swiss market.

We are looking forward to your participation and a successful Arabian Souk 2025.

Sincerely yours, **Oliver Howald**
